

REMARKS

This paper is responsive to the Notice to File Corrected Application Papers mailed October 03, 2003.

As seen above, Applicant has submitted an abstract to be added to the application. Applicant requests entry of the above proffered abstract. Support for the abstract comes from U.S. patent number 5,218,561, the original patent number of the patent that is currently the subject of the present reissue application. A copy of this patent is provided in Appendix A.

Applicant also notes that the Notice to File Corrected Application Papers also contains a statement that additional fees are due in the present application. Applicant submits under a separate letter along with this paper a payment to cover the just mentioned fees.

If Applicant has not accounted for any fees required by this Amendment or otherwise currently outstanding, the Commissioner is hereby authorized to charge to Deposit Account No. 19-0741. If Applicant has not accounted for a required extension of time under 37 C.F.R. § 1.136, that extension is requested and the corresponding fee should be charged to our Deposit Account.

PTO personnel handling the reissue application of U.S. patent number 5,218,561 are invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
